Criminal Charges Possible

Chief Engineer Get Evidence Act Protection

By Barney McKinley
LEDFORD, Nov. 29.—Evidence at the inquest into the Leduc hotel disaster indicates criminal charges may be laid, John Hart, provincial solicitor, told the court of inquiry today.

Hart made the statement as W. J. Gray, chief engineer for Leduc Utilities Ltd., took the stand to give evidence.

Gray was told by Chief Coroner Dr. Max Cantor that "he was not required to give evidence under section 21, subsection 2 of the act" referring to persons who may be implicated in an accident where death has occurred.

Gray said he would give evidence under the Canadian and Alberta Evidence Act.

MUCH EXPERIENCE
The slightly-built, greying engineer told the court he had 20 years experience in every phase of gas from the measuring station in the field to the individual consumer.

He said he acquired the knowledge with the Canadian Western Natural Gas Company, from which he retired in 1940.

His experience included experiments in gas storage at Bow Island field and installing and designing of plants in a number of towns and villages.

On Feb. 26, this year, he was asked if he would design a plant in front of the Imperial City Devon plant to supply Leduc and "possibly the village of Calmar," Gray said.

Mr. Gray related how the company invited tenders and awarded the contract to the Leduc company.

Invited "Criminal Charges?"

Gray said he was not required to give evidence under section 21, subsection 2 of the act.

Gray said he was not required to give evidence under section 21, subsection 2 of the act.

Gray said he was not required to give evidence under section 21, subsection 2 of the act.

HIGHLIGHTS OF 'NEW WAR' IN N. KOREA

WASHINGTON — Administration officials say Red Chinese offensive confronts the United States with the gravest decisions since the start of Second World War.

LONDON — Foreign secretary Bevin warned there might be "A Russian-Chinese conspiracy on a world-wide scale," but added that a "political" solution could be found in Korea that would prevent the spread of hostilities. However, he said, such a solution could only be found "if the Chinese are of a mind to co-operate."

UNITED NATIONS — United States calls for Security Council showdown on American charges of Chinese Communist aggression in Korea.

OTTAWA — Prime Minister St. Laurent told reporters as he entered a cabinet meeting that the international situation "looks confused," "I can't go beyond that," he added. External affairs minister Pearson, said the Korean picture now was "not too happy."

TAIPEI, Formosa — One of Nationalist China's leading spokesmen, Dr. Tiao Hui-Sheng, called on the United States to permit Nationalist China to attack the Communist-held China mainland.

WASHINGTON — Gen. Douglas MacArthur has advised defense officials he plans to stabilize the Korean battlefield after retreating no more than 15 or 25 miles.

Hectic Chase Through Streets Brings Arrest

A hectic stolen car chase through downtown streets last night resulted in the capture of a man now charged with theft of an auto.

John Bethune, Mike's Room, formerly of Windsor, Ont., was charged with the theft after he was captured by Constable Mus.

Bethune is alleged to have stolen a Jack Hays Taxi from in front of the Bus Depot at 7:30 p.m. All taxi and police cars were alerted and the stolen car was spotted a few minutes later by a Blue Cab driver, John Lohchuk, at 97 street and 103 avenue.

He radioed its location and a 10 minute chase through city streets followed. The cab was finally abandoned in front of the Edmonton Produce Company warehouse.

SUSPECT NABBED
The driver of the car seen through the building past several men working on the nightshift.

He then ran out a side door and disappeared.

Several taxis, police cars and the patrol wagon converged and 30 miles due north of Edmonton.

He appeared before Magistrate S. G. Main in city police court today and was remanded till Dec. 7.

Magistrate described the hold-up as a "smash-and-grab job."

The men held up the teller of the bank at the corner of Wright and New Brunswick streets forced him to hand over all available cash, and rushed from the building to the escape car.

Torrenital Rainfall Continues In N.B.

SAINT JOHN, N.B., Nov. 29.—(CP)—"Torrenital rainfall continued in New Brunswick yesterday, flooding some areas and threatening others. A record 26-hour high of 3.81 inches fell at Saint John, where the total since Sunday was 4.24 inches. In fact, rainfall in the area amounted to 10.62 inches, a record for November."

Freight Derailed
DRY BRIDGE, Ky., Nov. 29.—(AP)—A southbound Southern Railway freight train jumped the tracks here this morning, derailling at least 25 cars. No one was injured.

Michael and Lorne are Corey Alexander's sons. But as Emily is his aunt as well as his wife, they are his aunts.

And because Emily is Christian Godfrey's sister-in-law, she is his aunt as well as his wife.

There are a number of other relationships, the Milners say, but this is enough for a brain-teaser.

Some Allies Escape, Others Face Trap

U.S. EIGHTH ARMY HEADQUARTERS, Korea, Nov. 30 (Thursday)—(Reuters)—United Nations troops, struggling to consolidate a new line in the Chongchon River area, were put on the alert at midnight against an expected Communist bid to sweep forward and storm the river line before dawn. The Red forces were believed to be poised for an all-out frontal assault southward.

SEOUL, Nov. 29.—United Nations forces escaped across the icy Chongchon River in northwest Korea today under swarming attacks mounted by 200,000 or more Chinese Communists.

AP correspondent Tom Lambert, with the United States Eighth Army, reported at 6:43 p.m. (2:43 a.m. MST) that the withdrawal in the eastern sector was all but complete.

But fresh Red attacks from three sides threatened the escape gate at Kunu, road centre south of the Chongchon. Communist tanks rumbled on the city from the west. They were the first reported in the Chinese drive.

Chinese Communists sweeping in from the northeast still threatened to trap the two American divisions around Kunu and two other allied divisions.

There were no immediate reports on the fate of the U.S. 24th and South Korean 1st Divisions on the western flank.

The 24th Division, first American outfit to fight in Korea, last week was reported in the Pakchon area north of the river, holding open an escape route across the Anju bridge.

The South Korean 1st Division was fighting on the 24th's right flank, with its back to the river.

'ENTIRELY NEW WAR'
"We were from this bridgehead north of the river that a 10,000-man Allied force launched Gen. MacArthur's proclaimed 'End the War' offensive only six days ago."

The offensive stalled after two days when UN forces ran into masses of surging Chinese Communists.

MacArthur warned Tuesday: "We face an entirely new war."

He called upon the UN and all governments to seek a solution to the growing crisis.

There was hope of salvaging enough Allied manpower and material to develop a winter defence line and hold off the Chinese somewhere in North Korea.

RED TAKES USED
Military authorities considered such a defence could hold with Allied superiority in the air and in firepower against Chinese who had depended at the outset on the swarming weight of their lightly equipped troops.

IF GUYS STILL SHY HERE'S THEIR OUT

MARGATE, Kent, England, Nov. 29.—(Reuters)—Shy male shoppers who want to buy the little woman film "unmentionables" for Christmas are no longer embarrassed when they visit one local department store.

The store has solved the problem this way: The timorous male shopper goes to the men's wear department, where he explains his needs to an understanding male clerk. Then the clerk trots in to the women's department and makes the purchase for the shy guy.

THESE GIRLS got their man yesterday after a hard chase. He is oil driller Cliff Walker, caught in act of heating red light at 101 street and Jasper avenue, during Edmonton Safety Council's Pedestrian Safety Week Campaign. Vigilant girls are: Lorna Den Hartog, 11431-88 street, left, and Margery Macintosh, 11222-67 street. They collected five dollars reward money. (See other jaywalking hunt story on page three).

IT'S A BABY—BUT WILD

BABY WILD WELL is way oilmen describe this hole, Imperial Simmons 36, which blew in unexpectedly early Tuesday morning. No one was injured as workmen were engaged in "Mud Bank" making mud to surround well to prevent explosion, Imperial Simmons No. 36 is in heart of Simmons section of the Redwater field, 36 miles north-east of here.

Directional Hole Underway In Try to Quell Oil Well Fire

Oil men moved in a drilling rig today in a fresh attempt to tame a "baby wild well" in Alberta's rich Redwater field.

They started drilling a directional hole to cut off surface natural gas which has been feeding the 36-hour flames for more than 36 hours at Imperial Simmons No. 36.

Oil workers said it would take about four days to complete the hole and pour weighted mud down it. This way they expected to cut off the gas and kill the flames, as drilling could be resumed.

They decided against using dynamite because while it would stop the fire, it would not seal off the escaping gas.

SURFACE GAS FLOW
Well exploded into flames yesterday from what was called a "surface gas blow." Sparks from a rock were believed to have ignited the gas when the rock hit metal of the drilling rig.

It is believed to be the first time gas has been struck in quantity at such a shallow depth in the Redwater field.

Last night flames shot about 50 feet into the air.

The well had been drilled to only the 600 foot level when the surface gas blow and subsequent fire occurred, according to Vera Hunter, Imperial Oil's Redwater superintendent.

Hence the well had over two thousand feet to go before hitting the expected oil reservoir below and there was no danger of the oil catching fire.

NONE INJURED
No one was injured when the well went wild, but the drilling rig was totally destroyed.

Ten bulldozers were used throughout the day to move the fire-charred skeleton of the rig from the wellhead.

All men working at the well were about 50 feet away in the mud plant when the fire broke out.

Hunter said there was no danger of the flames spreading to the nearest well one-quarter of a mile away.

Veteran oil men termed the Simmons well "a baby wild well" in comparison to the famous Atlantic Number Three which created headlines across the country.

Armed Hold-Up
TORONTO, Nov. 29.—(CP)—A gunman held yesterday with \$20 in a late-model car after holding up a car store where four children were buying candy. He pointed a gun at Mrs. Jane Mitchell, wife of the owner, and told her: "This is a hold-up madam, give me all you've got!"

IT'S TIDDLY-WINKS GONE ON BIG TIME

COLUMBUS, O., Nov. 29.—(BUP)—A king-size game of tiddly-winks damaged an automobile here yesterday.

A snow plow was passing the auto and crossed over a manhole cover. The cover popped into the air in true tiddly-wink fashion and crashed into the back of the auto.

A snow plow was passing the auto and crossed over a manhole cover. The cover popped into the air in true tiddly-wink fashion and crashed into the back of the auto.

Barrack Room Lawyer Hinted in Complaints

CALGARY, Nov. 29.—(CP)—The Alberta Appeal Court was told yesterday that "a great many" appeals are being filed by prisoners in the Lethbridge provincial jail.

Barrister L. A. Johnston suggested that those appeals may be encouraged by the appeal court allowing sentences to date from the time of the prisoners' conviction rather than from the date on which their appeals were dismissed.

Chief Justice G. B. O'Connor noted that there has been no appeal from Fred Saskatchewan jail, out "a great many" from Lethbridge. He said the court would consider Mr. Johnston's suggestion.

"I would almost think there is a barrack-room lawyer down there (in Lethbridge)," Mr. Justice Frank said.

FRIVOLOUS APPEAL
He suggested that sentences of unsuccessful appeals be allowed to date back from their time of conviction only when circumstances took their appeals out of the "category of frivolous appeal."

He added that warrants of provincial jails should be instructed to warn prisoners that filing of an appeal would result in a loss of \$25 a month.

ALMOST TRUE HERE
'I'm My Own Grandpaw' Now Something More Than Song

MONTREAL, Nov. 29.—(CP)—Remember the song "I'm My Own Grandpaw?"

Well, the Miller family tree ran in 1947 and the resulting confusion made the words of the song some times almost true.

It all started when Christian Godfrey Miller married Lucie Levesque, sister of Emilie Levesque who had married Christian Godfrey's son, Corey Alexander, a year later.

Now the possibilities of parental relationships between all four are almost limitless.

For example: Christian Godfrey is his son's brother-in-law and Lucie is her sister Emilie's

mother-in-law. And Corey's step-mother-in-law, Lucie, is his sister's mother-in-law. And Christian Godfrey's daughter-in-law, Emilie, is his mother-in-law. . . . and since Corey Alexander's wife, Emilie, is his step-mother's sister, it follows she must be his aunt as well as his wife. . . .

Don't stop now, there's more. Christian Godfrey and Lucie have three children: Kenneth, Gordon, 27 months, Carol, 16 months and Shirley Emily, 4 years, three months.

Corey Alexander and Emilie have two sons, Michael, 16 months and Lore, two months. Kenneth, Carol and Shirley Emily Alice are the half-brothers

and half sisters of Corey Alexander. Because his father is his brother-in-law they are also his nephews and nieces and since Emilie is Corey's aunt as well as his wife, they are his cousins, too.

Michael and Lore are Corey Alexander's sons. But as Emilie is his aunt as well as his wife, they are his aunts.

And because Emilie is Christian Godfrey's sister-in-law, she is his aunt as well as his wife.

There are a number of other relationships, the Milners say, but this is enough for a brain-teaser.

Churches Council Organized In U.S.

Protestant, Eastern Orthodox Churches Move Said Significant

CLEVELAND, O., Nov. 29.—(AP)—The National Council of the Churches of Christ, manifesting "the essential oneness" of 29 Protestant and eastern Orthodox churches, was born today.

Formal formation of the council, which will co-ordinate the work of 31,000,000 communicants, came this morning in Cleveland's giant auditorium.

This is one of the most significant movements in the reformation churches since the reformation, wherein Protestantism itself was born.

Some say today's ceremony marks a more-important religious event than the forming of the World Council of Churches at Amsterdam, The Netherlands. The National Council, they say, is an action organization.

SPRIT OF UNITY
"This National Council of Churches is the fruiting of a spirit of unity which has long been growing," said Dr. Ralph W. Sockman of New York, pastor of the Christ (Methodist) Church, last night in a sermon at the continuing convention's opening worship service.

"The religious world has been waiting and calling for some great step forward to arouse and inspire the churches. This is the greatest forward step toward religious unity which America has yet seen, and it will prove epochal."

Today's action crowns the work of 10 years by eight international church agencies and an idea that has been a part of the Protestant scene for two decades.

The eight agencies which took the initiative in planning the council are the Federal Council of the Churches of Christ, Foreign Missions Council, International Council of Religious Education, Missionary Education Movement, National Protestant Council on Higher Education, United Council of Church Women, and the United Stewardship Council.

This is what the National Council will do.

VACATED FIELDS
Each of the eight charter organizations—plus perhaps as many as nine other groups—will disband and join the National Council, which immediately will move into the vacated fields of religious work with its own department.

Generally speaking, the staffs of the disbanded organizations will be kept by the National Council.

Since the original organizations began working on their idea of unity, four other organizations have joined: The Church World Service, Inter-Seminary Committee, Protestant Film Commission, Protestant Relief Commission.

National Council officials say "four or five others" are contemplating joining.

Couldn't Eat a Meal without Dizzy Spells, Severe Pains

—Engineer now happy that Sarnak relieved these conditions and he is able to enjoy eating his meals for the first time in sixteen years!

After years of suffering with upset stomach, dizzy spells, nervousness and indigestion, I'm little wonder a man recommends the remedy that's made them a thing of the past!

And that's just what Mr. Gustav Roemer, 128 Ahrens St. W., Kitchener, Ontario, does. He says—

"I gladly recommend Sarnak to anyone who suffers as I did. For sixteen years or more, I had a bad, upset stomach, which prevented me from eating a regular meal without severe pain. Besides this, I was constipated all the time; almost afraid to eat, had dizzy spells and was nervous."

"When I heard of Sarnak I started to take it, and it brought me relief within a few days. I can truly say my nervousness is relieved and I now enjoy a good night's sleep, am regular, feel better and am relieved of my stomach upset. I'm so grateful for what Sarnak has done for me!"

Canadian's Animal Wins Heifer Prize

CHICAGO, Nov. 29.—(CP)—Most of Canada's entries in the International Livestock Exposition took a back seat today in United States cattle. But one fat and easy Canadian heifer captured a championship.

Telquon Dazzling Princess, year-old Shorthorn heifer owned by P. F. Law of Weston, Ont., best a field of 42 to win her class and was chosen champion.

The victory by the Princess could be ranked as an upset, because Canadian cattle in the past have been no match for the fat, corn-fed U.S. animals.

TEXAS STEER BEST
Big Spring steers, a white-faced Texas steer shown by 18-year-old Lloyd Robinson of Big Spring, Tex., was crowned grand champion steer at the exposition. The 1075-pound Hereford outstruck more than 1,000 steers to capture the premier livestock award.

Young Robinson, son of a cotton farmer, should be able to fill his battered sombrero with \$10 bills after the sale of the exposition's fat cattle Thursday. Last year the champion—Judge Roy Bean, also a Hereford steer from Texas—was sold for \$12,000 at a record rate of \$11.50 a pound.

The Dox Head Farm of Richmond Hill, Ont., really cleaned up in the judging of breeding Southdown sheep.

The disbanded organizations will be kept by the National Council.

Since the original organizations began working on their idea of unity, four other organizations have joined: The Church World Service, Inter-Seminary Committee, Protestant Film Commission, Protestant Relief Commission.

National Council officials say "four or five others" are contemplating joining.

Auto Maker Designs New Body for '51

DETROIT, Nov. 29.—(AP)—At least one more 1951-model automobile will have an entirely new body. Another will emphasize extended rear fenders and redesigned brakes.

Heavy cutting for design changes was not part of the 1951 plans of any manufacturer. Yet the altered rear fenders on one car alone cost more for new dies than often was spent before the Second World War for some complete retooling jobs.

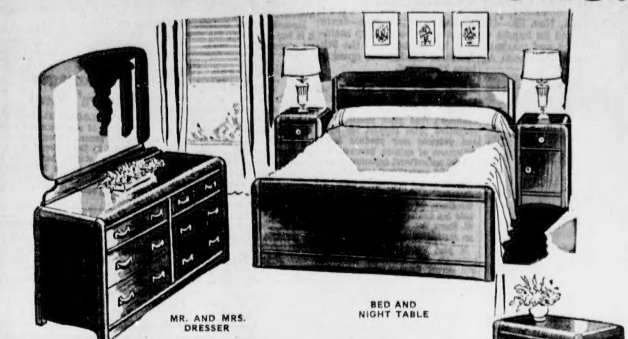

Next of the new models to appear probably will be Chevrolet's 1951 vehicles. They will be shown by dealers Dec. 9.—On Dec. 11 will originally planned the dealer show come Pontiac's new models. Pontiacing for Dec. 4, but had to delay it because of a body shortage.

SEVERAL TO COME
The procession of new models yet to come includes Cadillac, Buick, Oldsmobile and all the Chrysler units. Some will run over into January, although just about all will be on the assembly lines before the year-end.

Several hand-built models of the new cars already have been previewed by industry writers. Mostly, they show only fine-tuning to distinguish them from the 1950 models.

But even with minor changes all the models have enhanced eye appeal. Changing a fender line or the design of a radiator grille long has been standard practice in the auto industry when the least-expensive alterations have been sought for new models.

Sterling November FEATURE VALUES!

'Just Arrived! Carload Bedroom Suites

Our buyer was fortunate to get this carload of lovely bedroom suites! The savings are being passed on to you! Suites of seasoned hardwood construction, beautifully finished and equipped with PLATE GLASS MIRRORS. Choose your own arrangements... 3 different buys to save you money! - Base to suit all ages.
- Included is strong hammer and tempered saw.
- Back to hang tools on.

At Woodward's, small set **\$2.25**
medium set **\$3.75**
large set **\$5.35**

DOLLS

Beautiful dolls that will be the pride and joy of their new-found "mother" when Santa comes to town.

- Miniature caricature dolls.
- Daintily dressed in period styles.
- British made.
- Blonde approximately 8" high.

At Woodward's, each **\$4.45**

METAL DISHES

Sturdy metal dishes that can take all the heat you make believe "housewives" put them through.

- Aluminum.
- Push dot decoration.
- At Woodward's, casserole, each **39c, 49c and 59c**

Tax pots, each **69c**
Coffee pots, each **\$1.15**
Cup and saucer **\$2.50**

**STUFFED DOGS
AND PANDAS**

Designed on a strong frame with wire. These lovely toys will keep your child to take his first steps and thus make his first walking steps pleasant moments.

At Woodward's, medium, each **\$13.95 and \$15.95**
large, each **\$19.95**
small, each **\$42.50**

**GERMAN
NOVELTY TOYS**

The amusing motion of these quality toys will provide hours of entertainment for your children.

- Operating work **\$2.65**
- Tank truck, each **49c**
- Miniature locomotive, each **\$1.19**
- Steam motor cycle, each **\$2.65**
- Steam motor cycle, each **\$2.65**

DOLL BATH

A toy bath, that conscientious "mothers" will require, if baby dolls is to be kept clean and healthy.

At Woodward's, each **\$2.89 and \$3.98**

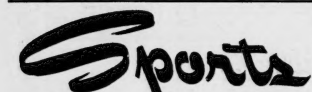

Action—Crammed Evening in Matville

EMBROILED with spectators as certain came down on last night's razzle-dazzle at Stock Pavilion, matman Frank Marconi gives off with raucous razzle. At same time he draws hand back in threatening gesture.

PLAYING villainous role to bitter end, Marconi finally is herded from ring by promoter Al Oeming, right, and 'Glamour Boy' Gene Dubuque, Iowa grappler who did stuf in one of earlier matches.

8 EDMONTON BULLETIN, Wednesday, Nov. 29, 1950

Louis 'Comeback' Goes on Apace

CHICAGO, Nov. 29.—(AP)—Joe Louis, former heavyweight champion, who quit when he was ahead, will try to make it from behind tonight when he renews a projected ring comeback against a foe 13 years younger.

The once-leaved Brown Bomber, now 36, will battle the Argentine heavyweight, Cesar Biron, at Chicago Stadium, in a bout scheduled to go 10 rounds or less.

Although a 4 to 1 betting favorite, there were strong suspicions that Louis may have picked too hard a trial horse for his second comeback try.

Louis was soundly defeated last Sept. 27 by champion Ezzard Charles in a 15-round title bout at New York. Tonight's bout will be Louis' first start since he was gunned by Charles and announced for the second time he was retiring.

Louis, whose tawny fists once were as potent, has not looked impressive in training sessions for this engagement, although he hopes to go into the ring at 215 pounds, three lighter than against Charles.

Biron, at 186, will spot Louis some 25 pounds, but at 23 the South American has that great equalizer, youth, in his favor.

Explaining his comeback attempt, Louis said: "I believe my hand has shown against Charles was due to the fact I had an off night. I'll find out for sure tonight."

The inference was that Louis definitely will quit the ring if he fails to knock out Biron.

Cops, Firemen 'A' Volleyball Winners

ICM defeated Transit System 5-0 and Fire Department "A" team defeated the "B" Firemen, 4-1, in Saturday night volleyball games played at the ICM gym last night.

A huge banner was strung across the station entrance for Bombers' arrival: "Welcome Home Blue Bombers."

Only railway employees were on the station platform when the team arrived. From there the

players were escorted by the Winnipeg police pipe band.

Home earlier than Bombers from the Grey Cup game—a raised platform in the station.

And then the crowd began to sing their welcome song.

"We're starting a new relief fund. And not for the Winnipeg food."

"We're going to buy a tarpaulin. To cover Toronto's mud."

Official welcome to the team was given by Mayor C. E. Manning. He praised the team for sportsmanship, then said:

"We're not discouraged. We're not discouraged. When we see the sport displayed here tonight we know the Grey Cup will soon be on its way to Winnipeg. It's just a matter of luck—and perhaps weather."

President Manner said: "It's an inspiration to have you people come down here. They did the very best they could to bring back the Grey Cup. It wasn't good enough but next year's will be better."

MERCURY'S IN ACTION AS INT. LOOP OPENS

Waterloo Mercury, world amateur champion last year, will play Sparing Davis in the opening game of the Intermediate Hockey league at the Gardens tomorrow night, starting at 8:30 o'clock.

Mercury, in their lone outing this season, dropped a 5-1 decision to Leithbridge Maple Leafs.

Because of the scarcity of sponsors, the Intermediate loop will operate with only three teams. Third entrant is St. Anthony's College.

Hitch-Hiker Kilburn Now Goes 1st Class

It's a fact that, as a junior, Colin Kilburn once hitchhiked 80 miles to play a game with South Side against Leithbridge 77's.

These times, with Edmonton Flyers, Kilburn travels first class and also travels first class in the Western Canada Hockey league point-getting parade.

Statistics released yesterday show the Flyer winger, last year's scoring champion, with a six-point lead over his closest rival, Saskatoon's Chuck McCullough.

McCullough, Quebec centre and captain, has 26 points, one more than a trio of Edmonton forwards—Alex Pringle, Doug Anderson and Ray Barry.

Larry Zeidel, Saskatoon defenceman, has spent the most time in the penalty box—a total of 60 minutes.

Flyer netminder Ray Frederick has the best record among goalies, allowing an average of 2.85 goals a game.

Frederick chalked up two shut-outs last week to lead in this department.

All four acts were barred by wild shouting fans.

To add to the Marconi dilemma (if that's what it was), promoter Oeming had taken to pushing him around, as was 'Glamour Boy' Dubuque, who had earned a decision over Stan Duack in the semi-final.

Finally the Oeming-Dubuque axis brought ineffectual Marconi to rest, whereupon they rearranged him to the dressing room.

The fans settled for jeering the still-wielding Marconi as he was led away.

It marked the conclusion of what was one of rowdiest nights the Pavilion has known for sometime.

In a preliminary match local boys Danny Vitek and Dillard Ouellette grunted and grunted to a draw.

"We're not discouraged. We're not discouraged. When we see the sport displayed here tonight we know the Grey Cup will soon be on its way to Winnipeg. It's just a matter of luck—and perhaps weather."

President Manner said: "It's an inspiration to have you people come down here. They did the very best they could to bring back the Grey Cup. It wasn't good enough but next year's will be better."

PHILADELPHIA.—(UPI)—Rocky Graziano, 188, New York, knocked out Honeville Johnson, 150, Philadelphia (4).

Thin Man Al Rollins Problem' for Leafs

TORONTO, Nov. 29.—(CP)—

A year ago managing director Conn Smythe of Toronto Maple Leafs had fat man goaltending worries; now he's into a thin-man problem.

The burning question is whether to keep six-foot-two Al Rollins, in the team's goal or send pudgy Turk Broda back into action after four games on the sidelines.

"It's a tough one," Smythe said yesterday. "I've got to decide whether to keep the Thin Man in there and let him get thinner or whether to go back to the thinned-down fat man."

When the National Hockey league season started, the Toronto plan was to use rookie Rollins in about 25 of the 70 games.

A few days ago that was changed to send him in against teams that had beaten the aging but still effective Turk.

But Rollins, improving every time out, has forced fresh consideration of the matter.

He is the only unbeaten goalie in the NHL with six shut-outs in seven starts. Starting last Wednesday night, he beat Chicago, Detroit, Montreal and New York in that order in a five-night span. He has been scored on 13 times in six starts.

Broda, at 36 the NHL's oldest active player, is still wearing his age. He has had four shut-outs in 14 starts and has been scored on 31 times.

It was just a year ago that Smythe put Broda and his weight on the front pages across the country.

The Leafs had lost five games in a row with Smythe and his weight now in the 180s, was benched until he could get his weight down from 190 to 180 pounds.

That's when the Leafs bought Rollins, a native of Vancouver, B.C., from Cleveland Barons. He spent most of the season with Pittsburgh in the American Hockey league for seasoning.

This year he was brought up to the big team to be worked gradually into the goaltending job on the theory that "The Turk can't go on forever."

Skiers to 'Dawnc' Members of the Timberline Ski Club will hold its annual Ski Show and Sale at the Westmount community hall.

Everybody is welcome to the informal gathering.

BOSTON.—(UPI)—Paul Pender, 16½, Brooklyn, stopped Harold Sampson, 16½, Clifton, N.J. (4).

Amateur Fight Card At Pavilion Friday

Three main events will highlight the Edmonton Boys of Amateur Champions on Boxing Club's Tournament Friday night.

First of these pits Gordon Rude, 16½, Edmonton, against Winnipeg's Dave Gedrak, a former Vancouver Golden Glove champion.

Walter Kozak, from the South Side, Leithbridge, battles Neil McKenna of Leithbridge in a welterweight bout. McKenna is the Canadian champion in his division.

And the third main attraction brings together Bulletin Golden Gloves champion Mike and Steve Gedrak, a former dominion finalist from Stirling.

Five other bouts are scheduled. Tickets to the EBCC card went on sale today at Mike's and Jerry's News on Jasper, the Blue cigar store on the South Side and Lloyd's Coffee Shop on 118 avenue.

Dances are priced at \$1.00 ring-side and 75¢ and 50¢ seats reserve.

TO USE or not to use, that is the question which has Toronto Maple Leaf manager Conn Smythe in a dither. Smythe doesn't know whether he should let Turk (Fat Man) Broda, right, resume his netminding chores, or let Al (Thin Man) Rollins, the only unbeaten goalie in the NHL, remain in the nets.

George Dunn Seeks Canuck Boxing Title

By Dick Beddoes

George Dunn is of the opinion that he can belt the stuffings out of any man in his division in Canada. And local partners-promoters Jack Berry and Arnold Dickson figure to give the classy Negro lightweight every opportunity to demonstrate that fact this winter.

For they plan to stage a series of eliminations to declare the lightweight champion of Canada, a title which is now vacant. It means that their candidate will have to dispose of such as Ernie (Calgary) Kemick, Sully (Toronto) Cantor, Alan (Toronto) McFarlane and Arthur (Toronto) King if he is to wear the crown.

Dunn, a former native of Hartford, Conn., who is seeking to become a Canadian citizen, lost a decision to the highly-regarded King in their only meeting. King is a top-ranking contender behind the Williams, the world's champion.

Eventually the 26-year-old Connecticut contender would like a crack at Williams. In the meantime he is in the line-up-laying business here and is ready to box anyone Dickson and Berry can provide.

Next Monday night, for example, he will provide Dunn with Dutch Hoger, and on Dec. 16 Rudy Zedell will be back for a rematch. Young Zedell lost a handiwork of a bout to the colored cutie here two weeks ago.

The semi-wild attraction on Monday pits Stanley James, the Welsh Werewolf, against Hector Fillion, sometimes known as the Cougar of Cornwall (Ont.). This will be in the nature of a winter-kick-all-bout, both having a victory in their two previous meetings.

And while the fight business still fits locally, Al Marconi appears before for fighting of another sort. The crowd-pleasing kid from Youngstown, Ohio, is induced into the U.S. army last week, thus

ending what plans he had of returning here for a rematch with Dunn.

NEWLY-APPOINTED arena commission is pushing plans for full season of activity at Grande Prairie's new \$80,000 arena. Secretary-treasurer Don McCormick, left, checks latest reports with Jack Bird, chairman, at centre, and Bryant Richards, right.

Game Opens New Arena

LACOMBE, Nov. 29.—Lacombe's new memorial arena will be officially opened Monday when the Lacombe Grizzlies play host to the emerald world champion Edmonton Waterloos Mercurys.

Included in Lacombe's Central Alberta Hockey entry are Art Park and Don Haworth, formerly with teams in the Edmonton Junior League and Norman Land, formerly with Medicine Hat Tigers of the Western Junior League.

A mascot dance will be held on the ice surface after the exhibition game.

Lacombe's first home game of the Central Alberta Hockey League will be held Dec. 11 against Camrose Maroons.

Slate Chosen By Sportsmen

DRUMHELLER, Nov. 29.—Ron Haddon, past president; Dr. A. J. Auelo, president; Dr. C. H. Hemminger, vice-president; and Dr. J. W. Haddon, secretary-treasurer at the weekend were elected to the executive of the Drumheller Valley Fish and Game Association for the coming term.

Committee chairman and other officials it is expected, will be appointed within the next few days.

Nominations for the executive positions were made by members of last year's executive. Members of the annual general meeting decided to name candidates during the general meeting held in the Social Credit Hall.

The meeting considered three possible resolutions for the annual Alberta Fish and Game Association convention to be held in the early spring.

ATA Sublocal Reviews Bylaws

RYCROFT, Nov. 29.—Study of Alberta Teachers' Association bylaws was made by members of the Rycroft River-Hydroly sublocal ATA, who met recently at Rycroft High School under the leadership of H. S. S. S.

Presentation of a silver service and an album of records was made to Mr. and Mrs. Douglas Blackie of Spirit River by Mrs. C. Hartwell, principal of Rycroft High School. Mrs. Hartwell expressed thanks of teachers of the division for the outstanding contribution made by Mr. Blackie to the ATA local.

Consort Curlers Choose Officers

CONSORT, Nov. 29.—J. F. Smith was elected president of the Consort Curling Club at an organization meeting recently held. L. C. Luman, who chosen as secretary-treasurer.

Other members of the executive will be named at a later meeting. The annual fees were set at \$10 for men and \$5 for women and student. It is planned to open the season with a mixed bonspiel as soon as the ice is ready.

Murray Trellay was again engaged as caretaker of the rink and has commenced flooding operations.

Chorus Group Plans Concert For Vermilion

VERMILION, Nov. 29.—Vermilion Chorus will hold a musical concert Sunday evening, Dec. 30, at 8 p.m. in the Columbia Theatre in Vermilion.

The chorus has been successful in their performances and well received wherever they performed. Half the proceeds from this concert will go to the Vermilion Boys' Band. The chorus is under direction of Jack Brown.

Clyde, Nov. 29.—Commonwealth Drilling Company have commenced drilling for oil on the homestead of Arthur Pomeroy, 11 miles northeast of Clyde.

Curling Draws Made For Season at Viking

VIKING, Nov. 29.—First draw in the 1956-57 curling season began yesterday evening with 28 local rinks, 16 farmer rinks and four high school rinks, plus four rovers, ready for action.

Free for the season were set at the meeting held in the rink Saturday. There are \$12 regular, and \$8 for farmers and high school. There is also a rock fee for those not having turned in rocks on the new matched sets of rocks. This is \$2 for club members and \$1 for farmers and high school students.

Rent of the rink for one day by organizations wishing to hold a special was set at \$12. The club may be set at \$12. The club may be set at \$12.

FRIG SPIEL
This meeting voted to hold the Refrigerator Bonspiel and the date was set for Jan. 15 to 20, 1957. A. Harby, B. W. Rynen and Harry Breiten were named.

Plans are also underway here for the board of trade sponsored Farmers' Day, to be held Dec. 16.

Hillsdale FWUA Elects Mrs. W. Ross
MILLET, Nov. 29.—Mrs. W. Ross was elected president of Hillsdale FWUA at their November meeting held at the home of Mrs. H. Mary.

Mrs. H. Mary was named vice-president and Mrs. J. Thompson as secretary-treasurer. Bearing officers were Mrs. H. Oulman and Mrs. E. Young.

Mrs. W. Ross will be the delegate to the annual convention in Calgary Dec. 4 where resolutions will be discussed.

Clyde, Nov. 29.—Gravelling of the new highway corridor as far as the crusher has been moved to Roundup this week and trucks are dumping loads from the Clyde Corner east to the new road.

They expect to be up to Neatby by the end of this week.

CLYDE, Nov. 29.—At the curling meeting held Saturday evening V. the rink, Mrs. Gus Siege was appointed president for the coming season and Mrs. Jean Curran secretary. In the men's group, the former executive remained in office. They are Gus Purson, president and A. Muir, secretary.

TO DRUMHELLER Sign at City's Gates To Welcome Visitors

DRUMHELLER, Nov. 29.—Members of the Drumheller Junior Chamber of Commerce are considering plans to erect signs at the entrance of the city welcoming visitors and diplomatically calling for safer driving habits.

The signs, approximately 50 feet long, will be topped by the crest of the Junior Chamber of Commerce. A greaser line across the top will welcome visitors to the area, while a similar line across the bottom will remind drivers to drive carefully.

as a protection against injuring children.

Details for the signs, President Sammy Stoughton pointed out, will be worked out as soon as possible.

Members of Drumheller Junior Chamber of Commerce at the weekend expressed approval of the rough drawings of the proposed signs. Locations for the signs will be selected to prevent conflict with similar signs now in service under the sponsorship of the Senior Chamber of Commerce.

Division Has Full Staff Of Teachers

SEDGWICK, Nov. 29.—At the annual meeting of educators of the Sedgewick School Division, held today in Killam, divisional superintendent, Dr. J. V. Chalmers reported that for the first time in many years all classrooms in the division are now staffed by qualified teachers.

Rising enrolment up 200 in the last year to a total over 2,100, is reflected in the opening of three additional classrooms, one each at Sedgewick, Alliance, and St. Lawrence, but one room, at Central High, Sedgewick, has been closed.

Present staff includes 71 teachers, of whom 25 are men, 25 single women, and 23 married women. Nineteen appointments were made during the present year, and 13 resignations received. Six new appointments were trained under divisional and department of education bursaries. Average salary at present is \$4,000.

Extent of centralization is reflected by the fact that some 75 per cent of both teachers and pupils are now working in the 10 graded schools in the division. In addition 18 one-room schools still remain in operation.

NEW COURSES
Reporting on the junior high school grades, the superintendent stated that several classes are now trying out new courses for the department of education in such subjects as literature, health and personal development, literature, and science. Reporting is being offered to 124 grade nine students in ten schools, while only nine pupils in four one-room schools are not able to obtain this subject at this grade level.

Special equipment in the schools includes 74 typewriters, 15 radios, seven movie projectors, and six duplicators.

Jr. Calf Club Has Elections

ROSEBUD, Nov. 29.—Bob Hyman, well known member of this community, at the weekend was elected to the post of president of Rosebud Junior Calf Club.

The club consistently has shown fine quality beef calves at the annual Drumheller and District Spring Junior Calf Show and Sale.

K. H. Walker, newly appointed to the post of District Agriculturist here, in an address outlined plans for the coming season for junior club members.

The complete slate of officers elected at the weekend meeting were: Bob Hyman, president; Roy Kenney, vice-president; L. G. Hyman, secretary-treasurer; H. G. Hyman, leader; L. W. Comstock, Joy Grant, L. Kenney, R. H. Hebling and R. A. McMillan, advisory committee.

ANDREW, Nov. 29.—Local post office is being extended to accommodate the increased patronage.

Besides being enlarged, the interior will also be modernized. Provisions will be made for rest room and more boxes will be added to speed up the delivery.

Mr. Worthing is the post master.

TO POUR TEA at Saturday bazaar sponsored by Ladies' Auxiliary at Kingsway Legion is Mrs. Helen Stewart. Affair will take place at Kingsway Legion hall.

Feet Prepared For Later Years

If you expect your feet to give you a lifetime of service, treat them with consideration. Spine heels, shoes that are shaped for style rather than comfort, or any other ill-fitting footwear will not prepare your feet for the later years when you may have put on weight.

When you buy your shoes, see that they are large enough, in a style that conforms to the shape of your foot and with heels that do not distort the arches and toes.

Weather-Proof Your Feet! Feet Cozy!

Consolidated

exclusive, famous all leather SUN VALLEY BOOTS

fit all heel sizes!

Insulated for warmth! CONSOLIDATED's exclusive, special insulated uniform assures you warm, cozy feet in weather conditions!

Decorated with rich skirting and trimmed with rich skirting or flared. Fit every kind. Angled in your wardrobe. Non-slip, crepe rubber sole.

EDMONTON BULLETIN, Wednesday, Nov. 29, 1960 13

Kingsway Auxiliary Holds Bazaar in Legion Hall

Shoppers who attend a tea, bazaar and home cooking sale in Kingsway Legion hall, Saturday will be able to dispense with week-end baking.

Ladies' Auxiliary to the Kingsway Branch of the Canadian Legion are holding their sale from 2:30 to 5:30 p.m. Guests will be received by Mrs. Harold Wright, president of the Auxiliary and Mrs. W. Rice, past president of Montgomery branch Auxiliary.

Mrs. George Gleave, Mrs. Alan Macdonald, Mrs. J. E. Sloan and Miss Helen Stewart will pour tea.

Bazaar convener is Mrs. Howell Williams and Mrs. Ted Greening is tea convener. Mrs. Waite is in charge of home cooking. Mrs. W. Lippert, doll and its wardrobe. In charge of booths are Mrs. C. Williams, Mrs. E. Tompkins, Mrs. A. Dalmat and Miss Jean Daniel.

Mrs. E. Saunders is treasurer. Bazaar was originally publicized as being at the Memorial hall, but it was necessary to re-schedule it for Kingsway hall.

Transportation will be provided from Kingsway and 101 street and 107 avenue and 106 street bus stops.

Make Bazaar Plans

Plans are complete for annual Christmas bazaar and tea to be held by Miss Kwang evening group of Norwood United Church.

Everyone is invited to attend the affair which takes place in church parlour Friday evening.

Hampers for Needy To Be Packed When Group Holds Party

One package or can of food is the admission price to Christmas party to be held in Metropolitan United Church gym hall Monday at 8 p.m.

Held by Interdenominational Young People's Union, purpose of party is to pack hampers for needy families in the city.

All young people are urged to attend the affair which will include singing, games and lunch.

Water Supply May Become Polluted

Water from wells and springs which provide periodic checkups. Water from wells and surface washings can become polluted and unfit for human consumption. Helpful advice on constructing home-made filters and other information on wells may be obtained in "Rural Waters"—a booklet produced by the Department of National Health and Welfare and distributed by local and provincial health departments.

Mrs. G. D. Kelly and Mrs. C. Hawkins, president will receive guests from 2:30 to 5:30 p.m.

Mrs. L. W. Frickson, past president will open the bazaar. Tea arrangements will be in the hands of Mrs. W. H. Edwards and Mrs. W. J. Coleman.

Presiding at the tea will be Mrs. J. Grant Stirling, Mrs. S. F. Tackaberry, Mrs. W. E. Harrison and Mrs. G. W. Wilson.

BUSY AS BEES

Mrs. R. K. Inckerton is in charge of fancy work table, Mrs. W. W. Landford, knitted and woven goods.

Mrs. W. F. Dabholkar, aprons, Mrs. B. O. Wilkes and Mrs. L. R. Kvistrom, novelties and toys.

Mrs. J. M. Verge will have the white elephant stall, Mrs. E. J. Stone and Mrs. A. Collett, home

Surprise Packages To Provide Fun at Bazaar

Mystery parcels, white elephants, novelties and toys are only a few of the special things planned for St. Paul's WA bazaar.

Group is holding their tea and sale of home cooking with the bazaar in the Parish hall, 145 street and Stony Plain road, Tuesday.

Mrs. G. D. Kelly and Mrs. C. Hawkins, president will receive guests from 2:30 to 5:30 p.m.

Mrs. L. W. Frickson, past president will open the bazaar. Tea arrangements will be in the hands of Mrs. W. H. Edwards and Mrs. W. J. Coleman.

Presiding at the tea will be Mrs. J. Grant Stirling, Mrs. S. F. Tackaberry, Mrs. W. E. Harrison and Mrs. G. W. Wilson.

BUSY AS BEES

Mrs. R. K. Inckerton is in charge of fancy work table, Mrs. W. W. Landford, knitted and woven goods.

CHEVROLET

CHEVROLET TRUCKS

deliver more horsepower at the clutch

The world's most popular engine

More trucks use Chevrolet than any other make! And one important reason is Valve-in-Head engine design. For 35 years Chevrolet has been the largest producer of Valve-in-Head engines — engines world-famous for power, dependability, and outstanding economy.

Blue-Flame combustion

Chevrolet's Valve-in-Head design, constantly refined and improved during 35 years of development, makes possible the smooth, even burning of the fuel — blue-flame combustion. Combustion chambers are scientifically shaped to wring more power from every drop of gasoline.

Lower cost per mile!

Chevrolet's Valve-in-Head Torquemaster engine with greater horsepower at the clutch offers important advantages to truckers. It means greater efficiency — it means bigger pay loads at lower cost per mile!

A
GENERAL
MOTORS
VALVE

Net horsepower . . . the power you use, the power delivered at the clutch . . . is the true measuring stick of a truck's ability to haul payloads. And for net horsepower, Chevrolet heavy-duty trucks with Torquemaster engine have no equal among the five most popular standard equipped makes in their weight class, up to 16,000 lbs. G.V.W. Chevrolet heavy-duty trucks lead them all! Compare the facts! And remember — it's the power at the clutch that counts! Come in and let us tell you the full story of Chevrolet's truck leadership.

PLUS—Chevrolet Advance-Design Truck Features!

THREE GREAT VALVE-IN-HEAD ENGINES: Torquemaster, Loadmaster and the improved Thriftmaster — give you greater power per gallon, lower cost per load • THE NEW POWER-JET CARBURETOR: smoother, quicker acceleration response • DIAPHRAGM SPRING CLUTCH for easy-action engagement • SYNCHRO-MESH TRANSMISSIONS for fast, smooth shifting • HYPOID REAR AXLES — the most durable type • DOUBLE-ARTICULATED BRAKES — for complete driver control • WIDE-BASE WHEELS for increased tire mileage • ADVANCE-DESIGN STYLING with the "Cab that Breathes" • BALL-TYPE STEERING for easier handling.
